## Sack O' Woe

## Van Morrison

Always screaming cause I'm suffering so Life's done never such a terrible blow The bag I'm in is just a sack o'woe Misery company and I'm feeling low Trouble follows me wherever I go The bag I'm in is just a sack o'woe

Trouble one thing I understand Seems to be a part of me Misery and me go hand in hand Never ever let me be Sure as I'm born one thing I know The bag I'm in is just a sack o'woe
