

## Saint James Infirmary

Van Morrison

I went down to Saint James Infirmary  
For to see, for to see my baby there  
Man, she was laid out on a long white table  
She was so cold, and so cool, and so fair

Let her go, let her go, God bless her  
Wherever she might be  
Lord, you can search this whole wide world over  
But she ain't never going to find another lover man like me

When I die, I want you to dress me in straight lace shoes  
I want a box back coat and a stetson hat  
I want a twenty dollar gold piece on my watch chain  
So everybody goin' to know that I died standing pat
