

# The Eternal Kansas City

Van Morrison

Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City? (Do you know the way to Kansas City?)  
Excuse me do you know the way to Kansas City? (Do you know the way to Kansas City?)  
Excuse me do you know the way to Kansas City? (Do you know the way to Kansas City?)  
Excuse me do you know the way to Kansas City? (Do you know the way to Kansas City?)  
Excuse me do you know the way to Kansas City? (Do you know the way to Kansas City?)

Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City?

Train down to St. Louis  
Get me there alright  
Over to the city there, you know that one  
Where the farmer's daughter digs the farmer's son  
Dig your Charlie Parker  
Basie and Young  
Witherspoon and Jay McShann  
They will come  
Oooowooooowoooo

Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City?  
Excuse me do you know the way to Kansas City?

Lady Liberty in waiting  
You know she lights the way  
Her name is Billie, she's a Holiday  
And the city is eternal, hey, can't you see?  
It's inside of you and it's inside of me  
Oooowooooowoooo

You know, you know the way to Kansas City?  
You know, you know the way to Kansas City?  
You know, you know the way to Kansas City?  
You know, you know the way to Kansas City?  
You know, the way to Kansas City  
You know, the way to Kansas City
