

## The New Symphony Sid

Van Morrison

Symphony Sid is grooving  
Man this whole house is moving  
Symphony Sid is grooving  
Symphony Sid

Symphony Sid is swinging  
That radio is ringing  
Symphony Sid is swinging  
Symphony Sid

Bing-bang bing-bang bing-bang  
Bing-bing-bing-bang

Symphony Sid is jumping  
Man this whole house is romping  
Symphony Sid is jumping  
Symphony Sid

Tune in and listen  
Check out what you're missin'  
You're finally close to eighty  
On the dot  
Some say he's the greatest  
One thing is assured  
When you're the latest  
You're gonna be hoppin' and boppin' round the future  
All your friends will be knockin' on your door  
When Sidney plays his swingin' music, catch it you should take  
up the  
Season you feel the temperature risin'  
Yeah man the radio is hot, you'd never want to stop  
Spinning like a little red top, all over town  
Now, sisters and brothers, fathers and mothers dig in  
Watch this, put 'em down

Bing-bang bing-bang bing-bang  
Bing-bing-bing-bang  
Symphony Sid is jumping  
Man this whole house is romping  
Symphony Sid is jumping
