

The Pen Is Mightier Than the Sword

Van Morrison

You've got to live by the pen 'cause it's mightier than the sword

You've got to live by the pen 'cause it's mightier than the sword

Every man is me, every man is you

I can't tell you what you've got to do

You've got to live by the pen, it's mightier than the sword

You've got to live by the pen 'cause it's mightier than the sword

You've got to live by the pen 'cause it's mightier than the law

Every man is me, every man is you

I can't tell you what you have to do

You've got to live by the pen 'cause it's mightier than the sword

You've got to live by the pen 'cause it's mightier than the law

You've got to live by the pen 'cause of what you saw

Every man is me, every man is you

I can't tell you what you're supposed to do

I've got to live by the pen 'cause it's mightier than the sword

I've got to live by the pen 'cause it's mightier than the sword

I've got to live by the pen 'cause it's mightier than the sword

Every man is me, every man is you

But I can't tell you what you have to do

I've got to live by the pen 'cause it's mightier than the sword

They're gonna get burned because they're playing with fire

They're gonna get caught 'cause somebody is a liar

Every man is me, every man is you

I can't tell you what you're supposed to do

You've got to live by the pen 'cause it's mightier than the sword

I've got to live by the pen 'cause it's mightier than the sword

I've got to live by the pen 'cause it's mightier than the sword

Every man is me, every man is you

I can't tell you what you're supposed to do

I've got to live by my pen 'cause it's mightier than the law

I've got to live by my pen 'cause it's mightier than the sword

I've got to live by my pen 'cause it's mightier than the sword
