

# These Are the Days

Van Morrison

These are the days  
of the endless summer  
These are the days  
the time is now  
There is no past  
there's only future  
There's only here  
there's only now

Oh your smiling face  
your gracious presence  
The fires of spring  
are kindling bright  
Oh the radiant heart  
and the song of glory  
Crying freedom in the night

These are the days  
by the sparkling river  
His timely grace  
and our treasured find  
This is the love  
of the one magician  
Turned the water into wine

(instrumental)

These are days of the  
endless dancing and the  
long walks on the summer night  
These are the days  
of the true romancing  
When I'm holding you oh so tight

These are the days  
by the sparkling river  
His timely grace  
and our treasured find  
This is the love  
of the one great magician  
Turned water into wine

These are the days  
now that we must savor  
And we must enjoy as we can  
These are the days  
that will last forever  
You've got to hold  
them in your heart
