

Whenever God Shines His Light

Van Morrison

1. Whenever God shines his light on me
Open up my eyes so I can see
When I look up in the darkest night
Then I know everything is gonna be alright
2. In deep confusion, in great despair
When I reach out for him he is there
When I am lonely as I can be
Then I know that God shines his light on me
- R: Reach out for him, he'll be there
With him your troubles, you can share
If you live the life you love
You'll get the blessings from above
3. Heals the sick and he heals the lame
Says you can do it too, in Jesus name
And he lifts you up and turns you around
And he puts your feet back on higher ground
- R: Reach out for him...
4. Heals the sick and he heals the lame
Says you can do it too, in Jesus name
And he lifts you up and turns you around
And he puts your feet back on higher ground
