

## Sex City

Van She

In the dark lights, We come out and play  
We are its children, And we're here to stay  
Running through the streets, Hungry for strays  
No invitation, To take me away  
I'm not cruel, But thats still what you see  
Club to club, Come see this city with me  
Hungry for life, Without your pity  
I dont want it, But it comes anyway

You go sexual city  
You till can't say she won't start up a fight  
You go the city  
'Cause in the city of life she can't, she can't wait

In the darkness, A killer awaits  
To kill a life, And the lies you make  
You do another, So this death can live  
Just keep on dancing, To the movie you're in  
The smell of your sweat, Just lures me in  
Your heartbeat, Does sing to me  
Your running feet, Beats my blood  
My ghost inside you, Soon will be

Now it's over, You've taken your life  
The dark grows thin, And I'm left to hide  
I don't regret it, But it's sad anyway  
Now were both dead, And scared of the black  
This life of games, And diligent trust  
It's the things we do, Or the things we must  
I'm now tired of being cussed  
So go sleep forever end to dust
