

# Heart Of An Angel

Van Zant

Woah I  
I've been searching all my life  
It's about time  
That I found my lucky star  
Gonna fly me  
To the heart of an angel  
Where I'll spend the rest of my life  
Until Eternity  
(Never to look down)  
(My feet will never touch the ground)  
Holy is the Heart of an Angel  
She's closer now  
Than I've ever felt before  
Cloud 9  
Should I jump or should fall?  
Fly me  
To the heart of an angel  
Where I'll spend the rest of my life  
Until Eternity  
(Never to look down)  
(My feet will never touch the ground)  
Holy is the Heart of an Angel  
Fly me to the heart of an Angel  
Where I know Heaven's just a touch away  
Destiny  
Is just like walking on the moon  
She breathes  
It means the winds are changing soon  
Gonna fly me  
To the heart of an angel  
Where I'll spend the rest of my life  
Until Eternity  
(Never to look down)  
(My feet will never touch the ground)  
Holy is the Heart  
Fly me  
To the heart of an angel  
Where I can spend the rest of my life  
Until Eternity  
(Never to look down)  
(My feet will never touch the ground)  
Holy is the Heart of an Angel  
My feet will never touch the ground  
Holy is the heart...
