

I'm A Want You Kinda Man

Van Zant

Hey Baby - whats this world coming to
Hey Hey Baby - what about me and you
Oh uh hey lover - say about makin plans
Hey hey hey Baby - how does this story end
Hey yes I am
I'm a want you kinda man
Hey yes I am
Gotta make you understand
That I'm a want you kinda man
Hey Baby - love's so hard to find
Play the game baby - you loose every time
And time is your melony - but the night is your friend
Were right where we suppose to be - this fight will never end
Ohh... uhh... ohh
Hey yes I am - I'm a want you kinda man
Hey yes I am - Gotta make you understand
That I'm a want you kinda man
Ohuh ohuh oh
Ohuh ohuh oh
