

It's All About You

Van Zant

I see it in your face, I know you're workin' hard
Kids screamin', phone ringin' twenty-five hours a day
Doin' what you do
You drive the kids to school, tryin' to go to work
Car stop, green light, here you go again
Hey, it's all about you
So hold on, baby, I'm comin' home
I've got a little somethin' to turn you on
I'll turn the lights down low and set a little table for two
Tonight it's all about you
You make our house a home, make that [Incomprehensible]
Sales on, coupons, baby, I can't believe
All the things that you do
I know that I've been blessed to have you in my life
I trust your love and when I give thanks
Yeah, it's all about you
So hold on, baby, I'm comin' home
I've got a little somethin' to turn you on
I'll turn the lights down low and set a little table for two
Tonight it's all about you
You know it's not about me
Baby, you see it's all about you
So hold on, baby, I'm comin' home
I've got a little somethin', girl, to turn you on
I'll turn the lights down low and set a little table for two
Oh, just hold on, baby, I'm comin' home
I've got a little somethin', girl, to turn you on
I'll turn the lights down low and set a little table for two
Tonight it's all about you
Baby, tonight it's all about you
Oh baby, tonight it's all about you
Yeah girl, it's just me and you
Tonight it's all about you, oh baby
