

Show Me

Van Zant

I've been burned
I've been hurt
I've been kicked to the curb
'Cause I'm more than a little hard on this world
Feeling more peace for me
Then I like what I see
Say you ain't just a dangerous toy
Got a bad attitude
On this blue avenue
I need someone to convince me I'm wrong
I've been up, I've been down
I've been lost, I've been found
If you think you can turn this heart around
Show me
Show me
Take me in your arms and hold me
You've got to show me
Show me
Show me your little rock n' roll fire
If you walk like you talk
Then you talk while you walk
But I can't still quite hear what you say
Come a little closer to me
'Cause I wanna believe
This don't happen to me everyday
YEAH!
Well it's 3 A.M., I've been waiting all night
For someone to light my soul
You keep saying it's you
And I'm praying it's true
If this is love
Do you know what to do?
Show me
Show me
Take me in your arms and hold me
You've got to show me
Show me
Show me your little rock n' roll fire
Come on and show me
Show me
Baby turn around and hold me
Show Me
Show Me
Show me your little rock n' roll fire
Come on and show me!
Oh! Oh!
Ha, show me
If you walk like you talk
Then you talk while you walk
If you mean what you say
Girl we'll go all the way
If you like how it feels
Then we'll know that it's real
You keep saying it's you
And I'm praying it's true
If this is love
Do you know what to do?

Know what to do??
THEN BABY STOP TALKING AND
SHOW ME!
SHOW ME!
TAKE ME IN YOUR ARMS AND HOLD ME!
YOU'VE GOT TO SHOW ME!
SHOW ME!
SHOW ME YOUR LITTLE ROCK N' ROLL FIRE!
COME ON AND SHOW ME!
SHOW ME!
BABY TURN AROUND AND HOLD ME!
YOU'VE GOT TO SHOW ME!
SHOW ME!
SHOW ME YOUR LITTLE ROCK N' ROLL FIRE!
SHOW ME YOUR LITTLE ROCK N' ROLL FIRE!
OH!
SHOW ME YOUR LITTLE ROCK N' ROLL FIRE!
Girl you've got to show me...
