

# Best That I Can

Vance Joy

Say I don't look much like a lover  
Doesn't mean that I won't try  
Set your world on fire every once in awhile  
We lie on the kitchen floor  
Hot air rises and it's going to be hot as hell here soon  
We are going to need some relief

Sick of leaving thing half done leaving things half said  
Sick of leaving things half done leaving things half said

Ohh  
I am  
I am trying  
the best that I can  
I am  
I am trying

You can keep moving on like you do  
The road goes as far as the eyes can see  
I won't stand in your way  
What's the good in that  
And the flowers in their bed  
Their drooping and dying and fading away  
This weather's no good for growing things

Sick of leaving things half done leaving things half said  
Sick of leaving things half done leaving things half said

Oh I am  
I am trying  
the best that I can  
I am  
I am trying  
the best that I can

Will you keep moving on like you do  
Will you keep moving on  
So will you keep moving you on like you do

Ohh I am  
I am trying  
the best that I can  
I am  
I am trying  
the best that I can  
I am  
I am trying  
the best that I can  
I am  
I am trying  
the best that I can
