

1. Oh, if you're losing sleep,
oh if you're losing sleep, scared of shadows
I see it's just a chair, see the clothes hang there
Don't go losing sleep scared of shadows.

R: Oh don't feel bad
I never have
Since I got you
My Emmylou

2. You wear your socks to bed
You wear your socks to bed, that's what I do
Oh come on sleepyhead, get yourself to bed,
Don't go losing all the night time

R: Oh don't feel bad...

*: You are loved, you are loved, you are loved, you are loved
(4x)

R: Oh don't feel bad (You are loved, you are loved, you are loved,
you are loved)
I never have (You are loved, you are loved, you are loved, you
are loved)
Since I got you (You are loved, you are loved, you are loved,
you are loved)
My Emmylou
