

first time

Vance Joy

1. Come over to my house, jump in the neighbour's pool
That felt nice, it felt so nice
And it was getting dark, you wrapped your long legs
Around me, I held on tight
Lying in my bed, the unfamiliar sheets
Were so cool, on your skin
When your daddy called, said you were at a friends
And we walked, the long way home

X: Going on my first impression, I recall you wearing white
There was something sweet in the air, babe, that summer night
There will always be another time for us to fall in love,
But it never cut you quite as deep,...

R: As that first time, ouououh
You'll find out that the deepest cut is the
First time, ouououh
First time is always cut the deepest

2. Bring me with your hands, show me a safe place
And I'll calm down, yeah I'll calm down
And can you recognize, the look upon my face
Is on my lips, is in my eyes
This bar will never break, won't you say it one more time
Won't you say my name, won't you say my name
This bar will never break, won't you say it one more time
Won't you say, say my name

X: Going on my first impression...

R: As that first time...

*: Ououh, dadadadadadadada, dadadadadadadada dadadadadadada
Ououh, dadadadadadadada, dadadadadadadada dada ouououh

X: Going on my first impression...

R: As that first time...

The first time, ouououh
You'll find out that the deepest cut is the
First time, ouououh
First time is always cut the deepest

As that first time
You'll find out that the deepest cut is the
First time
First time is always cut the deepest
