

## From Afar

Vance Joy

You told me boy look the other way  
You told me boy bite your tongue  
Yes that's not the way,  
Yeah that's not the way  
Ah that's not the way that friends behave  
Ah that's just not the way that friends behave  
Oh no, no, no,  
No, no, no, no

You lined me up  
Across the room  
Two falling sparks  
One willing fool  
And I, I always knew  
That I would love you from afar

You told me boy look the other way  
You told me boy hide those hands  
But I've been living on the crumbs of your love  
And I'm starving now

And that is the way that we remain  
Ah that will be the way that we remain  
Oh no no no  
No no no no

You lined me up  
Across the room  
Two falling sparks  
One willing fool  
And I, I always knew  
That I would love you from afar

You lined me up  
Across the room  
Two falling sparks  
One willing fool  
And I, I always knew  
That I would love you from afar

It shouldn't come as a surprise  
What I'm feeling, what I'm feeling now  
It shouldn't come as a surprise  
She got darling hazel eyes

It shouldn't come as a surprise  
What I'm feeling, what I'm feeling now (4x)
