

# Snaggletooth

Vance Joy

[Verse 1:]

Waiting for you baby  
Through the coldest days  
Huddled in the backseat of the van  
And I know a girl who  
would wait until it's dark  
When she sings the heavens part  
They part  
Oooohh

[Chorus:]

And I held my ground  
When I heard those sounds  
Coming out  
And I must have cried  
When I held those hands

So do you know what I mean  
So do you know how I feel  
So do you know what I mean

[Verse 2:]

Baby don't you know that  
I love your snaggletooth  
I see it poking when you laugh  
And baby don't you know that  
I love those pigeon toes  
I hope that you get these pigeon lungs  
Lung  
Oooohh

[Chorus:]

And I held my ground  
When I heard those sounds  
Coming out  
And I must have cried  
When I held those hands

So do you know what I mean  
So do you know how I feel  
So do you know what I mean

[Bridge:]

And I will try my best  
To take this big old hen  
And I will know his name  
And always feel the same  
And I'll light up so bright  
Any orange glow  
And I'll light so bright  
Any orange glow

Glow  
Oooohh

[Chorus:]

And I held my ground

When I heard those sounds  
Coming out  
And I must have cried  
When I held those hands

So do you know what I mean  
So do you know how I feel  
So do you know So do you know  
So do you know So do you know  
So do you know So do you know  
So do you know So do you know  
So do you know what I feel
