

Killing Me to Love You

Vancouver Sleep Clinic

Your body is broken but you're trying to fight this
Your arms are weary but you're trying to hide this

I, I'll bring you home, it's been so long
Aaah we're fighting alone back to where we belong

It's growing faster than you've grown
Now you're stronger than yourself
I'm fighting for you
I'm hiding for you
But it's killing me to love you
But it's killing me to love you
But it's killing me to love you

You lost it all and now you've been left open
And you were starting to heal but you've been tearing apart thi
s(?)

It's growing faster than you've grown
Now you're stronger than yourself
I'm fighting for you
I'm hiding for you
But it's killing me to love you
But it's killing me to love you

I want to keep faith, but you're making it harder
(But it's killing me to love you)
I'm reaching out now but you're pulling me under
(But it's killing me to love you)
I give you my heart just to watch you waste it
(But it's killing me to love you)
And I can't let go when you still need saving
