

Day I Die

Vanden Plas

The reason for the change within the center of the blood
Surrounded by a dream until the soul can find a door
Easy to believe in - Now we're living on our lies
that we never cry tears and don't want to die
Do you really want to change?
Don't you trust your fears?

I don't die - I don't die - I don't
I don't die 'till the day that I die
'Till the day that I die
I don't live 'till the day that I die

Easy when you change, easy way to live
The feeling when I taste forgiveness in the wind of tenderness
Now we're flowing in a stream to the wisdom's edge
How we ever pass through when we're dying at the door too?
Do you really want to change?
Don't you trust your fears?

Don't wanna die
Don't wanna die
I don't wanna die (3x)
I don't wanna live (3x)
Don't wanna die! Don't wanna die!
Don't want - Don't want - Don't wanna die!
Until the day that I die
I don't die 'till the day that I die
I don't die 'till the day that I die
I don't live 'till the day that I die

Don't wanna live
Don't wanna live
I don't wanna live
I don't wanna live
I don't wanna die (4x)
