

# Days Of Thunder

Vanden Plas

Oh yeah! 2, 3, 4

Goodbye, Goodbye,  
You're running away  
A sign in red, a notice couldn't stay  
And some clouds are rollin' by  
It's sayes

Couldn't cry the tear  
The Raining in my eyes is 'cos  
You're breakin' my heart  
In these Days of Thunder  
You're breakin' my heart...  
In these days of thunder  
Your breaking my heart  
Goodbye Good Love, too late to break  
Medicine man has no chance to make us stay, for me  
Oooooooh  
And the is passing by  
What happened to you to die  
Breakin' my heart  
In these Days of Thunder  
You're breakin' my heart  
Days of thunder  
You're breakin' my heart  
In these Days of Thunder  
'Cos you're You're breakin' my heart  
You're breakin' my heart  
In these Days of Thunder  
Days of Thunder  
You're breakin' my heart  
You're breakin' my heart  
In these Days of Thunder  
You're breakin' my heart  
You're breakin' my heart  
Days of Thunder  
In these Days of Thunder  
You're breakin' my heart  
You're breakin' my heart  
In these Days of Thunder  
You're breakin' my heart
