

# I Thought We'd Stay Together

Vanessa Amorosi

Hey there, I hope you're doing well  
I love this new track ya sent me I got in the mail  
I am so sorry that I have taken a few weeks  
But you'll never guess what happened to me

The love of my life, I've been seeing for three years  
Said it was over, I was boring him tears, so as you can imagine

I've been really in a state with all those mixed emotions that  
get in the way

Sorry I've been takin so long, to finish this song  
You know I was trying to write a hit, till my boyfriend threw me in  
His stuff still laying around I wanted to burn my whole house down  
He said his love would last forever  
I guess I thought we'd stay together

Tears keep coming, and I try to write things down  
With my tears is anger, I wish I kicked him out  
Just look what I've become a huge whining mess  
Then I used to be the girl giving advice to the rest

Sorry I've been takin so long to finish this song,  
You know I was trying to write a hit, and my boyfriend threw me in  
His stuff still laying around I wanted to burn my house down  
He said his love would last forever  
I guess I thought we'd stay together

So sorry I was takin so long but here's your fucking song  
I hope its gonna be a hit, I'm single and loving it  
Your stuff still laying around I wanted to burn my whole house down,  
He said his love would last forever  
I guess I thought we'd stay together

Sorry I've been taken so long to finish this song  
Your stuff still laying around I wanted to burn my whole house down
