

# Kiss Your Mama!

Vanessa Amorosi

Stand up  
Like you mama said  
You can be a mouse or  
You can be a man

I don't have the time for  
A little boy like you  
Respect just ain't a word  
It's something that you do

You need to prove  
She's everything  
She's a goddess and a queen bee  
Show your loving boy and you'll be king

Come on!

Kiss your mama  
Give me everything I'm waiting for  
Kiss your mama  
Show respect  
Go and unlock the door  
Kiss you mama baby  
That's what I'm praying for  
You'll be mine  
When I see you act like a man

Nah nah nah nah nah nah nah  
I know you can  
Nah nah nah nah nah nah nah  
Be a man  
Nah nah nah nah nah nah nah  
So tell who your mama now?

I'll break it down so  
You can understand  
I'm independent  
But I want a man

If you think I'm uptight  
Baby think again  
Maybe time to grow up  
Stop acting like a kid

Oh what the problem  
Can't a woman be a woman,  
and a man be gentleman?

[CHORUS]

Kiss your mama  
Give me everything I'm waiting for  
Kiss your mama  
Show respect  
Go and unlock the door  
Kiss you mama baby  
That's what I'm praying for  
You'll be mine

When I see you act like a man

Nah nah nah nah nah nah nah

I know you can

Nah nah nah nah nah nah nah

Be a man

Nah nah nah nah nah nah nah

So tell who's your mama now?
