

I am not a snitch  
I know nothing I know nothing  
A liar with a twist  
I know nothing I know nothing  
Telling me the unknown truth  
I know nothing I know nothing  
Doing it behind you  
I know nothing I know nothing

I am not a rat  
I know nothing I know nothing  
Dabbling with no fact  
I know nothing I know nothing  
Ripping others down  
I know nothing I know nothing  
Taking people out  
I know nothing I know nothing

My words my word, I am not a snitch  
Wont throw you under a bus, or rat on it  
sneak or a stag, a spineless snake  
I know nothing

Telling to a screw  
I know nothing I know nothing  
The man wearing blue  
I know nothing I know nothing  
A chief with a badge  
I know nothing I know nothing  
Holding a green flag  
I know nothing I know nothing

Trust is worth  
I know nothing I know nothing  
It's weight in gold  
I know nothing I know nothing  
I'm on the alert  
I know nothing I know nothing  
So I guess you know  
I know nothing I know nothing

My words my word, I am not a snitch  
Wont throw you under a bus, or rat on it  
A sneak or a stag, a spineless snake  
I know nothing

I am not a snitch, a liar with a twist  
Telling me the unknown truth, doing it behind you  
I am not a rat, dibbling with no fact  
Ripping others down, taking people out

My words my word, I am not a snitch  
Wont through you under a bus, or rat on it  
My word is my word, I'm not a snitch  
Wont through you under a bus, or ride on it  
A sneak or a stag, a spineless snake  
I know nothing
