

# The Simple Things (Something Emotional)

Vanessa Amorosi

Saw an old friend yesterday  
Who's a big success  
Got a Bentley and a Rolex  
And a Gucci dress  
Got the guys all lined up waitin  
For her to pull their string  
And she told me all about  
Her latest hot sweet thing

She's got everything a girl could ever want or need  
All that money can afford  
But there's still a voice inside that keeps crying out  
For something more

Something emotional  
Something that's beautiful  
Something that stands the test of time  
Why are the simple things so hard to find  
Something emotional  
Something that's wonderful  
Something that lifts us high above  
Here we are waiting to be saved by love

Just to wake up in the morning  
To a familiar face  
Conversation over coffee  
To start my day  
I pick up the phone  
And dial to see if mum's around  
Wouldn't mind just droppin by  
For a visit now

I could travel round the world, write my name in the sky  
Make my dreams come true  
But it wouldn't mean a thing if I didn't know that I  
Could come home to

Something emotional  
Something that's beautiful  
Something that stands the test of time  
Why are the simple things so hard to find  
Something emotional  
Something that's wonderful  
Something that lifts us high above  
Here we are waiting to be saved by love

And I long someday  
To have children of my own  
To share those precious moments  
To know you're not alone  
To be as good as my mother  
Was to me in my younger years  
The laughter, the fights... the tears
