

# This Is Who I Am

Vanessa Amorosi

I spend my life  
Trying to do things right  
but all I do is fall to my face with my hands and my hips so many times  
but then I learned

after being burnt  
to get back up, push straight on, stop the tears,

people move on  
ooonnnn

Well it's alright to be myself  
Now I've Learned To Stand  
Well its OK to be just who I am  
I've spent years really hating men

longing to be friends (friends)  
Now I hope that you can  
understand,

This Is Who I Am

Now when life gets tough  
I'm quick to hurry up  
I run all day  
I run through the night  
I'll break down walls, I'll hit up high

I don't care if I'm fat,  
Or if you think my clothes are bad  
Yet i can go to sleep at night I'm a good person and I'll get by, I!!

Well it's alright to be myself,  
Now I've Learned To Stand  
Well its OK to be just who I am

I've spent years really hating me  
longing to be friends (friends)  
Now I hope that you can understand,

This Is Who I Am

I need someone, someone someone, someone like me

You deserve, deserve, deserve to have me

Because your world keeps spinning  
And don't try to turn it

Well it's alright to be myself,  
Now I've Learned To Stand

Well its OK to be just who I am!  
I've spent years really hating me  
longing to be friends (friends)

Now I hope that you can understand

This Is Who I Am

yyeaaahhhhhh, yeah yeah

This is who I am!

Oh, take a breather this is who I ah ah ah ah ah ah ah Am
