

## Touch Me

Vanessa Amorosi

She gets a little bit tipsy after one beer  
she gets a little too wild when her friends bring her here  
It happens every time  
at 3am at night  
it's so hard to ignore  
when she yelling through the door

I guess I'm going home, but would you like to touch me  
Suppose ill do it on my own  
could of been nice if you joined me  
don't be afraid, I don't usually bite  
I'm a good girl, am only bad some times  
I'm going home would you like to cum

She likes to dance in the clubs, to the bass and the subs  
she gets a little bit horny, from the vibrations off the floor  
some girls like to deny it  
but there really trying to fight it  
she so hard to ignore  
when she's shouting through the door

I guess I'm going home, but would you like to touch me  
suppose ill do it on my own  
could of been nice if you joined me  
don't be afraid, I don't usually bite  
I'm a good girl, I'm only bad some times  
I'm going home would you like to cum
