Vanessa Amorosi

Turn to me (4x)

from all the taking down to the drama far away as if were lost
and found there moving us everyday pushing things to far never moving on
you may not forget we've been through some strong pushing, resistance denyin
g

With your classic words of
Turn to me
That's what you say when you
Turn to me
That's what you do when you
Turn to me
Need Mondays and time to turn you up

There's no familer face
Only the hand to turn you on
You walk the show distance
But it took so very long
Strong pushing resistance denying

Knowing that you'll jump
To private land
Knowing that its safe and
not safe enough to give you your heart your dreams respect
Hey believe TO TURN TO MEEEEEEEE

TURN TO ME
Turn to me
Turn to me
Turn you up
Turn to me
Resistant denying
Turn to me that's what you say when you turn to me
That's what you do when you Turn to me
Need Mondays and the time to turn me up
Turn to me
That's what you say when you burn to me
Turn to me
That's what you say when you turn to me
Need Mondays and the time to turn me up
Turn to me
Why don't you (3x)
Turn to me
Time to turn me up
Turn to me then burn to me
Turn to me then burn to me
Turn to me then burn to me
Turn to me ohhhh burn me
Turn to me why don't you burn me
Just to turn to me
That's what you say when you turn to me burn to me
That's what you do when you turn
Need Mondays and the time to turn me up
Turn to me that's what you do when you turn to me
That's what you say when you burn to me
That's what you do when you turn to me
Need Mondays and the time to turn me up
