

# Breaking Free

Vanessa Hudgens

We're soaring, flying  
There's not a star in heaven that we can't reach  
If we're trying  
So we're breaking free.

We know the world can see us  
In a way that's different than who we are.  
Creating space between us  
Till we're separate hearts.

But in faith it gives me strength,  
Strength to believe..

We're breaking free!  
We're soaring, flying  
There's not a star in heaven that we can't reach  
If we're trying  
Yeah we're breaking free  
Oh we're breaking free, ooooh

Can you feel it building?  
Like a wave the ocean just can't control  
Collected by a feeling  
Ooh in our very soul. (very soul)

Rising till it lifts us up  
So everyone can see.

We're breaking free!  
We're soaring, flying  
There's not a star in heaven that we can't reach  
If we're trying  
Yeah we're breaking free  
Oh we're breaking free, oohh.

Running, climbing, to get to the place to be all that we can be.  
Now's the time,  
So we're breaking free.  
We're breaking free, ooh yeah

More than hope, more than faith,  
This is true, this is fate,  
And together we see it coming.  
More than you, more than me  
Not a one boy in need  
Up above, breaking free!

Soaring, flying  
There's not a star in heaven that we can't reach.  
If we're trying  
Yeah we're breaking free (breaking free)

We're running, ooh climbing to get to that place to be all that we can be.  
Now's the time (now's the time)  
So we're breaking free. Ohhh we're breaking free

We know the world can see us

In a way that's different than who we are.
