

# Gotta Go My Own Way

Vanessa Hudgens

I gotta say what's on my mind  
Something about us doesn't seem right... these days  
Life keeps getting in the way  
Whenever we try  
Somehow the plan is always rearranged

It's so hard to say  
But I gotta do what's best for me  
You'll be okay...

I've got to move on, and be who I am  
I just don't belong here  
I hope you understand and  
We might find our place in this world someday  
But at least for now  
I gotta go my own way

Don't wanna leave it all behind  
But I get my hopes up and I watch them fall every time  
Another colour turns to grey  
And it's just too hard.. to watch it all... slowly fade away

I'm leavin' today  
'Cause I gotta do what's best for me  
You'll be okay

I've got to move on, and be who I am  
I just don't belong here  
I hope you understand and  
We might find our place in this world someday  
But at least for now  
I gotta go my own way  
What about us? What about everything  
we've been through?  
What about trust?  
You know I never wanted to hurt you  
What about me?

What am I supposed to do?  
I gotta leave but I'll miss you  
miss you

I've got to move on, and be who I am  
I just don't belong here  
I hope you understand and  
We might find our place in this world someday  
But at least for now  
I gotta go my own way

I've got to move on, and be who I am  
I just don't belong here  
I hope you understand and  
We might find our place in this world someday  
But at least for now  
I gotta go my own way
