

# I Can't Take My Eyes Off You

Vanessa Hudgens

Ya never know what you're gonna feel, oh  
Ya never see it comin' suddenly it's real

Oh, never even crossed my minde, no  
That I would ever end up here tonight

All things change  
When you don't expect them to  
No one knows  
What the future's gonna do  
I never even noticed  
That you've been there all along

I can't take my eyes off of you  
I know you feel the same way too, yeah  
I can't take my eyes off of you  
All it took . . . Was one look  
For a dream come true

Yeah, we got a good thing goin' on

Oh, right here is right where we belong

You never really know what you might find  
Now all I see is you and I  
You're everything I never knew  
That I've been looking for

Can't take my eyes off of you  
Oh, oh, oh yeah  
So let the music play  
Can't take my eyes off of you  
Yeah, the feeling's getting stronger  
And I never ever felt this way

Alright, I see everything  
In your eyes. . . Oh yeah  
Alright, something's happening  
Cause everyone's around but  
You're the only one I see

I can't take my eyes off of you  
Feelings like I never knew  
I can't take my eyes off of you  
From the start. . . Got my heart  
Yeah, you do  
Can't take my eyes off you
