Vanessa Hudgens

Ya never know what you□re gonna feel, oh Ya never see it comin□ suddenly it□s real

Oh, never even crossed my minde, no That I would ever end up here tonight

All things change When you don t expect them to No one knows What the future s gonna do I never even noticed That you ve been there all along

I can⊡t take my eyes off of you I know you feel the same way too, yeah I can⊡t take my eyes off of you All it took . . . Was one look For a dream come true

Yeah, we got a good thing goin \square on

Oh, right here is right where we belong

You never really know what you might find Now all I see is you and I YouDre everything I never knew That IDve been looking for

CanOt take my eyes off of you Oh, oh, oh yeah So let the music play CanOt take my eyes off of you Yeah, the feelingOs gettingO stronger And I never ever felt this way

Alright, I see everything In your eyes. . . Oh yeah Alright, somethingDs happening Cause everyoneDs around but YouDre the only one I see

I can□t take my eyes off of you Feelings like I never knew I can□t take my eyes off of you From the start. . . Got my heart Yeah, you do Can□t take my eyes off you
