

# Never Underestimate A Girl

Vanessa Hudgens

It takes a girl to understand  
Just how to win  
She knows...She can  
I think it's clear  
Who wears the pants  
What boy...could stand...a chance

She makes it look easy  
In control completely  
She'll get the best of you...every single...time  
Thought by now you'd realize you should

Never underestimate a girl  
Gets anything she wants  
She's never gonna stop  
(You know it...we know it)  
Never underestimate a girl  
She's always got a plan  
The world is in her hands

She got the lipstick  
Puts it together  
Boys have it good  
But girls have it better...(watch out)  
Your secretary might  
End up your boss  
Whether you...really like it...or not

She makes it look easy  
In control completely  
She'll get the best of you... every single...time  
That's right...no no no you should

Never underestimate a girl  
Gets anything she wants  
She's never gonna stop  
(You know it...we know it)  
Never underestimate a girl  
She's always got a plan  
The world is in her hands

She might be the president  
Make all the rules  
Don't try to win the game  
You're only gonna lose  
Now girls you know we got it  
Got it going on  
We've been trying to tell them all along  
Listen up guys  
Take a little sound advice

Never underestimate a girl  
Gets anything she wants  
She's never gonna stop  
(You know it...we know it)  
Never underestimate a girl  
She's always got a plan

The world is in her hands
