

# Promise

Vanessa Hudgens

What you think about this?  
I been holding it in now I'm letting it flow  
What you think about this?  
I'm gonna do my own thing yeah I'm flying solo so  
Don't tell me how its gonna be  
On my own  
And the thing of it is  
There's nothing round here that I'm gonna miss  
Cause you're holding me down  
I just wanna fly  
There comes a time when I gotta say goodbye  
To the life that you see me in  
Here's where I begin

And I promise myself  
I ain't nobody's, I just wanna be free  
And I promise myself  
Even though it don't always come easy  
Gonna learn from my pain  
Never explain  
Do it my way, that's what I say  
Promise myself  
I'm the only one who will believe me

There's a voice in my head  
Telling me come on, come on, move on  
There's a voice in my head  
Telling me I know my right from wrong  
They say what doesn't kill you can  
Make you strong  
Now I know what it means  
You can try to bend but you ain't breakin my dreams  
I'll be making mistakes  
Comin up at a loss  
I'll be tumbling down  
But Like MC shake it off  
I'll stay cool cause I know who's boss  
Of me, myself, and I

And I promise myself  
I ain't nobody's, I just wanna be free  
And I promise myself  
Even though it don't always come easy  
Gonna learn from my pain  
Never explain  
Do it my way, that's what I say  
Promise myself  
I'm the only one who will believe me

I'll keep movin even when the beat is gone (I will)  
I'll keep doin what i got to do to carry on (I will)  
So don't hold me down cause i'm gonna fly  
and the time has come and gotta say goodbye  
To the life that you see me in  
Here's where I begin

And I promise myself

I ain't nobody's, I just wanna be free  
And I promise myself  
Even though it don't always come easy  
Gonna learn from my pain  
Never explain  
Do it my way, that's what I say  
Promise myself  
I'm the only one who will believe me
