

# Destiny

Vanessa-Mae

If it is written in the stars, then it can be read  
For this is prophecy  
The future  
A thousand million possibilities  
Is it my destiny?

Destiny  
I'll find you  
In my dreams

Destiny  
I'll find you  
In my dreams  
Eternity awaits  
I'll find you  
In my dreams

Destiny  
I'll find you  
In my dreams  
Eternity awaits  
I'll find you  
In my dreams
