

# I Wouldn't Dare

Vanessa Paradis

I could just reach out and touch your hair ooooh but I wouldn't dare leaning whisper that I care ohhhhhhhh but I wouldn't dare

That would only break this spell that I have learnt to love so well and it wouldn't be fair so I wouldn't dare

Oh I could see us as a pair humm but I wouldn't dare we could have the sweet affair

Hummmm but I wouldn't dare

No I'd be happy just to dance with this illusion of romance that I never would share 'cos I wouldn't dare

In these circumstances a heart that takes chances has only itself to blame but it would be tragic if I lost this magic and didn't feel the same ooh

Oh I could sit and I could stare euh euh but I wouldn't dare imagining the when and where hummm but I wouldn't dare

For if you are to turn away because of things that I might say I just couldn't bear so I wouldn't dare that wouldn't be fair so I wouldn't dare I wouldn't dare
