

La La La Song

Vanessa Paradis

There is no substitution
For the way I feel
Didn't want no explanation
For what is on my mind
Cause I'm doing fine
If it's a dream then let me sleep
Only wake me when
you're in my arms again

I've been waiting for a while
Now you gave me the reasons why
I was holding on singing lalala
If it's an illusion let it flow
Right or wrong I don't wanna know
Keep it coming baby lalala

Don't need no complications
You can not conceal
What the heart reveals
How ever long it's gonna last
And where it goes
If a fortune teller says
I don't even need to know

I've been waiting for a while
Now you gave me the reasons why
I was holding on singing lalala
If it's an illusion let it flow
Right or wrong I don't wanna know
Keep it coming baby lalala

The principle of love is that
When you get enough
Then you can give it back

If it's a dream then let me sleep
Only wake me when
you're in my arms again

I've been waiting for a while
Now you gave me the reasons why
I was holding on singing lalala
If it's an illusion let it flow
Right or wrong I don't wanna know
Keep it coming baby lalala
