

## La La La Song

Vanessa Paradis

There is no substitution  
For the way I feel  
Didn't want no explanation  
For what is on my mind  
Cause I'm doing fine  
If it's a dream then let me sleep  
Only wake me when  
you're in my arms again

I've been waiting for a while  
Now you gave me the reasons why  
I was holding on singing lalala  
If it's an illusion let it flow  
Right or wrong I don't wanna know  
Keep it coming baby lalala

Don't need no complications  
You can not conceal  
What the heart reveals  
How ever long it's gonna last  
And where it goes  
If a fortune teller says  
I don't even need to know

I've been waiting for a while  
Now you gave me the reasons why  
I was holding on singing lalala  
If it's an illusion let it flow  
Right or wrong I don't wanna know  
Keep it coming baby lalala

The principle of love is that  
When you get enough  
Then you can give it back

If it's a dream then let me sleep  
Only wake me when  
you're in my arms again

I've been waiting for a while  
Now you gave me the reasons why  
I was holding on singing lalala  
If it's an illusion let it flow  
Right or wrong I don't wanna know  
Keep it coming baby lalala
