## This Will Be Our Year

## Vanessa Paradis

The warmth of our love's like the warmth from the sun And this will be our year, took a long time to come. Don't let go of my hand, now the darkness has gone. This will be our year, took a long time to come.

And I won't forget the way you helped me up when I was down. And I won't forget the way you said "Darling I love you". You gave me faith to go on, now we're there and we've only just begun.

This will be our year, took a long time to come.

The warmth of your smile, smile for me, little one And this will be our year, took a long time to come. You don't have to worry, all your worried days are gone. This will be our year, took a long time to come.

And I won't forget the way you helped me up when I was down. And I won't forget the way you said "Darling I love you". You gave me faith to go on, now we're there and we've only just begun.

This will be our year, took a long time to come. And this will be our year, took a long time to come. And this will be our year, took a long time to come.
