

Be a Man

Vanessa Williams

Be a man about it

My heart is ringing like a telephone
Pick it up and dial in the answer
Oh I'm sick and tired to be alone
Let me know if love is 'bout your after

Just be a man about it
You don't have to worry
I won't turn you down
Just be a man about it
Oh don't complicate it
And let me know you'll be around

I took you from the number one
Wait for set to be with me forever
I don't bishy yet because that are ompeyend
For your be in heaven so want you

Be a man about it
Oh don't complicate it
You don't have leave me on
Just be a man about it
Just want show to love me right
You can't go wrong if you

Just be a man about it
You don't have to worry
I won't turn you down
Just be a man about it
Oh don't complicate it
And let me know you'll be around

Be a man

We could really have a good thing
But we don't know where it believed
But real we've got to keep the communication flowin'
But that's not all I need so want ya

Be a man about it
You don't have to worry
I won't turn you down
Just be a man about it
Oh don't complicate it
And let me know you'll be around

Be a man just sile it
Oh don't complicate it
You don't have to leave me on
Just be a man about it
Just want show to love me right
You can't go wrong if you

Just be a man uh uh uh

Be a man about it

Stand up for me baby
Be a man about it
I won't turn you down

We could really have a good thing
But we don't where it believe
But real we've got to keep the communication flowin'
But that's not all I need so want ya
