

# First Time Ever I Saw Your Face

Vanessa Williams

The first time ever I saw your face  
I thought the sun rose in your eyes  
The moon and stars were the gifts you gave  
To the dark and endless skies, my love  
To the dark and endless skies

The first time ever I kissed your mouth  
I felt the earth move in my head  
Like the trembling heart of a captive bird  
That was there, there at my command, my love  
That was there at my command

The first time ever I lay with you  
And I felt your heart so close to mine  
And I knew our joy would fill the earth  
And would last 'til the end of time, my love  
It would last 'til the end of time

The first time ever I saw your face, your face  
Your face, your face, your face, your face
