Love Like This

Vanessa Williams

They say it's a river, that circles the earth A beam of light shining to the edge of the universe It conquers all, it changes everything

They say it's a blessing, they say it's a gift They say it's a miracle And I believe that it is It conquers all, but it's a mystery

Love breaks your heart Love takes no less than everything Love makes it hard And it fades away so easily

In this world we've created In this place that we live In the blink of an eye the darkness slips in Love lights the world Unites the lovers for eternity

Love breaks the chains Love aches for everyone of us Love takes the tears and the pain, and it turns it in-To the beauty that remains

Look at this place It was paradise, but now it's dying I'll pray for love I'll take my chances that it's not too late

Love breaks your heart Love takes no less than everything Love makes it hard And fades away so easily

Oh oh oh

Love breaks the chains Love aches for everyone of us Love takes the tears and the pain, and it turns it in-To the beauty that remains
