Merry Christmas, Darling

Vanessa Williams

Greeting cards have all been sent The christmas rush is through But I still have one wish to make A special one for you

Merry christmas darling We're apart that's true But I can dream and in my dreams I'm christmas-ing with you Holidays are joyful There's always something new But every day's a holiday When I'm near to you The lights on my tree I wish you could see I wish you could see I wish it every day Logs on the fire Fill me with desire To see you and to say

That I wish you merry christmas Happy new year, too I've just one wish On this christmas eve I wish I were with you

Logs on the fire Fill me with desire To see you and to say That I wish you merry christmas Happy new year, too I've just one wish On this christmas eve I wish I were with you I wish I were with you
