

# Start Again

Vanessa Williams

It's winter time in the middle of the spring  
I can't believe it, loneliness is calling me  
And I can hear it  
See I never thought I'd feel this way  
So soon, no,  
There is something that I know I have to do

Start again  
And this time I'll make it better than before  
I start again  
For the second time around  
I'll do much more, yeah,  
Cause I refuse to let life  
I'll pick the pieces up  
And start again, yeah

Other roads, yeah  
Oh this time I must be careful  
When I choose them  
See love was for the taking  
But I refused it  
I never thought  
It cut so deep inside me  
Oh no  
There is something  
That I know I have to do

I start again  
And this time I'll make it better than before, yeah  
Start again  
For the second time around  
I'll do much more, yeah  
Cause I refuse to let life  
I'll pick the pieces up  
And start again

I can't seem to think  
Of nothing better I can do

But start again

And this time I'll make it better than before, yeah  
Start again  
For the second time around  
I'll do much more, yeah  
Cause I refuse to let life  
I'll pick the pieces up

And start again

Oh this time I'll make it better than before, yeah  
I'll start again  
For the second time around  
I'll do much more, yeah  
Cause I refuse to let life  
I'll pick the pieces up  
And start again
