

# You Are Everything

Vanessa Williams

You are, you are, everything, everything, oh  
You are, you are, everything, everything, oh  
You are, you are, everything, everything  
Everything is you

Today I saw somebody who looked just like you  
He walked like you do, I thought it was you  
As he turned the corner, I called out your name  
I felt so ashamed when it wasn't you, wasn't you

You are everything and everything is you  
Oh, you are everything and everything is you  
Oh, you are everything and everything is you  
Everything is you

How can I forget when each face that I see  
Brings back memories of being with you  
I just can't go on living life as I do  
Comparing each man with you  
Knowing they just won't do, they're not you

Oh, you are everything and everything is you  
Oh, you are everything and everything is you  
Oh, you are everything and everything is you  
Everything is you

You are, you are, everything, everything, oh  
You are, you are, everything, everything, oh  
You are, you are, everything, everything  
Everything is you

You are everything and everything is you  
Oh, you are everything and everything is you  
Oh, you are everything and everything is you  
Everything is you

You are, you are, everything, everything, oh  
You are, you are, everything, everything, oh  
You are, you are, everything, everything  
Everything is you
