

You Can't Run

Vanessa Williams

Show me a heart that's got no passion
I'll show you a heart that's got no life
Show me a man that doesn't give his heart
I'll show you man that tells you lies

And you can try to run, but there's nowhere to hide
Love is stronger than your lies
Oh and you can deny it all you want
But love will win, it's just a matter of time

You know you can't run from love, you know, you know
You know you can't run, ain't nowhere to hide
You know you can't run you know, you know, you know
You know you can't run, love is stronger than your lies

Show me a heart that's not committed
I'll show you a man that doesn't try
Show me a heart that doesn't die for love
I'll show you an empty man inside

You can run, but you won't find no place to hide
Love don't want your heart to die
Oh and you can deny love all you want
But love is strong and love won't be denied

You know you can't run from love, you know, you know
You know you can't run, ain't nowhere to hide
You know you can't run you know, you know, you know
You know you can't run, love is stronger than your lies

You can run, but you won't find no place to hide
Love don't want your heart to die
Oh and you can deny love all you want
But love is strong and love won't be denied

You know you can't run from love, you know, you know
You know you can't run, ain't nowhere to hide
You know you can't run you know, you know, you know
You know you can't run, love is stronger than your lies

You know you can't run from love, you know, you know
You know you can't run
You know you can't run you know, you know, you know
You know you can't run, love is stronger than your
Stronger than your lies
