

Addams Groove

Vanilla Ice

They do what they wanna do, say what they wanna say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a friend
The Addams Family

Now I was cold coolin', you know maxin' and relaxin'
Just kickin' it around the house Oaktown kickin' it
When a knock, a knock, a knock and a voice yo
Can Hammer come out? what's up?
Now I don't mind mind being a friend
And showin' a little bit of flava flava
But Wednesday, Pugsley, Gomez, Festeroh man
Man, them some strange neighbours

They do what they wanna do, say what they wanna say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a friend
The Addams Family

I remember the day I needed to borrow
A little bit of pepper for my chicken
The next thing you know, comin' at me
Was a hand with the fingers high steppin' I'm witcha
Now I tried to play it along you know
And act like I was havin' a ball ha ha
But what do I see yo a perm with feet Cousin It
Standin' about three feet tall I'm outta here

They do what they wanna do, say what they wanna say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a friend
The Addams Family

Speakin' and thinkin' about the Addams
You know the Hammer is with it I'm with it
Act a fool, no bones, Swoop, Goofy and Randy
You know we kick it the posse
Now is the time to get in your mind
It's OK to be yourself be yourself
Take foolish pride and put it aside
Like the Addams, yo! they def that's a family

They do what they wanna do, say what they wanna say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and they slap a friend
The Addams Family
