Cool like tha ice Vanilla here's the flava  
Freezin' up tha mic to hit ya with  
So you can savor.  
No slippin' nor stonin' gettin' straight  
To tha poinst.  
Hit tha mad izm and light another joint  
Tha easy like style is what I kick when  
I'm kickin' no trippin' I'm spliffin'  
So get a good wiff and get with tha style,  
That I'm using no guessin'  
So here's a quick lesson I got my Smith & Wesson  
Listen up close and there will be no confusion  
Now you're addicted to mentally abuse it.  
Word to tha mutha, I'm here to tear it up,  
And if ya can't get with it, I don't give a

Here I come with tha nine in my hand,  
It's time to wreck shop now tell me who's  
The man.  
Just like Ali I'm tha thriller in Manilla,  
Tearin' stuff up like my man godzilla.  
Makin' tha suckers drop when ya steppin'  
To my zone comin' straight up like my man  
Al Capone.  
You try to cross me up I'll jump you like  
You was a checker,

And like jerry Rice I'm into breakin' all records.  
Rollin' with my crew firm up a blunt,  
My hands on tha pump bust u on beachfront.  
In case you forgot I'm here to remind you,  
I'm chiller, chiller than the ice on Vanilla.  
Word, word to tha herb as you heard,  
I'm hittin' 3 pointers just like Larry Bird.  
you can't touch this, welcome to tha hit list  
Try to play me out, you catch a big fist quick.  
Pop in ya eye, don't try to ask me why.  
Cause it's like that fool ya hangin' with tha ICE,  
Cause it's cool and like I said this here's for  
Tha people tha ICE is rated lethal.

It goes a 1 to tha 2 to tha 3 to tha 4.  
The ICE be tha leader, so open up tha door.  
Check it out, 'cause what I'm all about is gettin'  
Mad paid, 'cause the green is real sticky.  
My stuff is kinda tricky, so listen up close.

And when ya ask tha ladies they love tha ICE  
Tha most.  
So open up ya car and look inside here  
And keep ya self in line you and please don't  
Stare.  
'cause cool is how I'm coolin' and there just  
Isn't nuttin' to it.  
Don't ask me no questions, 'cause you already knew.
