

Looking For a Hero

Vanilla Ninja

I don't need a man
Who thinks he's good for me
I don't need a man
Who's nice and charming
I don't need anything
That people want me to be
I just need some help
When fears are harming

I'm looking for a hero
When Hate is coming to thrill me
When Love is trying to kill me
In the dark
When my armour is broken
I'm looking for a hero
Who will keep me from falling
Who's here when my nightmares are calling
When my hopes keep running to zero
Will you be my hero

Your love must be a sword
Cutting through doubt and fear
Your thoughts must be a shield
That will protect me
Your dreams must be a tower
Where I can hide from the world
Your hope must be a guard
That won't reject me

I'm looking for a hero
When Hate is coming to thrill me
When Love is trying to kill me
In the dark
When my armour is broken
I'm looking for a hero
Who will keep me from falling
Who's here when my nightmares are calling
When my hopes keep running to zero
Will you be my hero

Cos I don't need a man
Just though in talking about love
Oh baby, I need you
If you're a fighter

I'm looking for a hero
When Hate is coming to thrill me
When Love is trying to kill me
In the dark
When my armour is broken
I'm looking for a hero
Who will keep me from falling
Who's here when my nightmares are calling
When my hopes keep running to zero
Will you be my hero
