

Nero

He can be anywhere on carth

And still be there for you

Nero

He can do anything in life

While you're feeling lost and lonely

But I swear - he will care

Nero

Ony when dreams have died

It's time to say good bye

Oooh Nero

You can stand any pain

With a smile on your face - I swear

Nero

Just smile

So destiny won't keep you crying

Nero

Let your heartlight find a way

Let everybody know what you say

Nero

He can bear anything

Expect your tears - I swear

Ooh Nero

He can fight anyone

But he's caught in your love - I swear

Nero...

Nero

He can be anywhere

And still be there for you

Nero

I see you standing there

With a smile on your face - I swear
