

Tough Enough

Vanilla Ninja

1. Baby only the strong would survive
Over mysteries of life
Only fantasy keeps you away
In the lonely fields of those broken shields

R: So keep on kicking the bomb is
ticking don't stop, don't be a runaway
Go for the fire
Baby are you tough enough ooa ooa ooa ooa ooa
Just keep on living and don't start
giving the devil good reasons
To get you in the seasons of heartbreak
Baby are you tough enough ooa ooa ooa ooa ooa
Baby are you tough enough

2. Yeah my skin is a dangerous place
Never trust my smiling face
With a touch I can change all your dreams
And my kiss can wake feelings you can't take

R: +
wah ah aah - oh wah ah eh yo
wah ah aah - oh wah ah eh yo (Baby are you tough enough)
wah ah aah - oh wah ah eh yo

`cos I need you there
Oh tonight
